

THE MENTORSHIP CLASS

BEYOND MOTIVATION

We are your fire, Your Push, Your
Accountability

Name of Mentee

TMC

Mentorship is one of the quickest ways to upgrading one's life.

It is an external voice of guidance, teaching and accountability.

It is not for those who are trying to become great, it is for the greats who are securing their destinies.

The Mentorship Class is an outright decision to live in the totality of one's God given purpose.

You have decided to increase your impact in this world and the one to come.
